## Our Premises

We would particularly like to thank Sir Martin and Lady Wood for their huge generosity in offering us the use of free office space. We are lucky enough to reside in a beautiful and practical office space within a Manor House in Little Wittenham. As well as its character and lovely location on the banks of the Thames, it also offers us the use of a large meeting room which is suitable for running training courses. This is an enormous help for the charity and enables us to cut down our overhead costs substantially and focus more on our direct work with children and families.

**Thank you all for your generosity.**

If you would like to volunteer your services or raise money for Clear Sky either as an individual or on behalf of your company please contact [info@clear-sky.org.uk](mailto:info@clear-sky.org.uk) for further information.
